LAUSD Policy Cell Phones

It is District policy to prohibit the use of cellular phones, pagers, or any electronic signaling device by students on campus during normal school hours or school activities. Students are permitted to possess such devices provided that any such device shall remain turned off and stored in a locker, backpack, purse, pocket, or other place where it is not visible during normal school hours.

*Students must comply anytime a request is made by school personnel to cease the use of a cellular telephone or other devices mentioned above even before or after school. Schools may adopt more stringent policies through School Based Management (SBM).

Also, such items can be distracting to the educational process and may be confiscated by school personnel. The District is not responsible for lost or stolen items (including those in lockers).
