LAUSD SCHOOL EXPERIENCE SURVEY RESULTS 2017-18

The School Experience Survey for LAUSD presents survey items organized under three categories: Academics, Social & Emotional Learning, and School Climate. The response to each survey item asks the percent of responses from “No, Never / Strongly Disagree” to “Yes, Always / Strongly Agree,” as well as, aggregate percentages for the two most positive responses. Item response aggregates at the school level can be compared to the aggregate at the District. When values cannot be combined for any item, there will be no aggregate. To begin, select the school from the dropdown menu. (District and Local District is available also.)
