GOAL: We strive to promote a career and college readiness culture, increase school pride, and encourage participation in the improvement of our global society, through activities involving our school and local community. A total of 10 hours per year are REQUIRED. Students will need to do 2 additional hours, if the 10 hours are not completed by the DUE DATE shown below.

Students WILL also be added to the STOP CLEARANCE list and this could be the reason they DO NOT get to participate in SENIOR ACTIVITIES including PROM and/or GRADUATION. All hours should be discussed with ADVISORS prior to completion and have an immediate connection to the HOUSE THEME of HEALTH and FITNESS, so they will not possibly be rejected. They should also include any additional documentation (for example, copies of report cards, business cards of community leaders, etc.) IF YOU DO 1-2 HOURLS A MONTH, YOU SHOULD FINISH WELL BEFORE THEY ARE DUE! DON'T PROCRASTINATE! Also, all 10 hours WILL NOT be accepted, if they come from one activity or event. They should be spread out.

Definition: Community service is performed by a person or a group for the benefit of the public or local community, non-self-gratifying. If you are not sure if an activity is considered community service, ask your advisor. Some suggestions include:
