VISION
San Pedro High School offers all students opportunities to develop knowledge, skills and a growth mindset to access college and career options that prepare them for success in a changing global society.

MISSION
San Pedro High School provides students with academic and social skills to succeed in college, career and their community.

STUDENT LEARNING OUTCOMES
SAN PEDRO HIGH SCHOOL GRADUATES WILL BE:

Effective Communicators & Collaborators
Who demonstrate competence in listening, speaking, reading, writing, numeracy and utilizing technology while working with people from diverse backgrounds

Critical & Creative Thinkers
Who analyze, problem solve, synthesize, and formulate new and innovative ways to respond to challenges.

Active Community Members and Leaders
Who participate as informed members of their community and have a positive influence upon the world.
